Men & Women

Start Living Your BEST LIFE!

As we age, we begin to notice a precipitous loss of energy, sleep, skin glow, confidence and passion. As well we sometimes experience a de-motivating gain in weight, aches, pain and malaise. When hormones are restored to youthful levels, we see increased energy, improved sleep, better exercise tolerance & results, restored passion and lowered risk for chronic disease.

Hormones are not drugs.

FALL IN LOVE WITH THE *Process* OF *Becoming* THE VERY BEST VERSION OF YOURSELF

**REJUVENATE • RESTORE
ENHANCE YOUR NATURAL BEAUTY**

Laser Treatments

HALO HYBRID FRACTIONAL LASER Release Your Inner Hollywood Glow with Halo Hybrid Fractional Laser Treatments. Halo eliminates years of damage by precisely targeting the right depth to restore the luminous glow you used to have.

FOREVER YOUNG BBL Forever Young is performed using broadband light laser and works on the genetic level to delay aging and rejuvenate the skin.

SKIN TYTE/PELLEVE A revolutionary way to refresh your appearance without surgery! The SkinTyte/Pellevé Wrinkle Reduction System safely and effectively treats facial wrinkles with virtually no pain and no downtime.

Maintain Beautiful Skin for Life

MICRONEEDLING & PRP (platelet rich plasma), Also known as Collagen Induction Therapy. This treatment is ideal for acne scars, surgical scars, stretch marks, wrinkles, and fine lines, hyperpigmentation, lax skin, large pores, and uneven skin texture.

HYDRAFACIAL The **HydraFacial MD®** treatment is not only highly effective at improving overall skin health, but also excellent for remedying: fine lines, wrinkles, hyperpigmentation, enlarged pores & advanced signs of aging.

CHEMICAL PEELS Medical Grade and **SkinCeutical** peels help improve uneven skin tone, the texture of the skin, fine lines, wrinkles, and elasticity. Chemical peels have minimal downtime and will unveil a more youthful, and healthy glow.

Injectables & Fillers

We offer the top brands in cosmetic injectables for wrinkle reduction, fine lines and adding volume. The results are natural looking and long lasting.

Botox • Xeomin • Juvederm • Radiesse

Body Treatments

COOLSCULPTING Freeze away stubborn fat in less than an hour! **The CoolSculpting Plus** procedure is the only FDA-cleared, non-surgical fat reduction treatment that uses controlled cooling to eliminate stubborn fat that resists all efforts through diet and exercise. Plus includes cellulite reduction. The results are proven, noticeable and lasting, so you'll look great from every angle.

Laser Hair Removal Forever Bare

BBL The Most Comfortable & Safest Hair Removal Option. By sending multiple lower frequency pulses at a high repetition rate, Forever Bare BBL provides a treatment that is safe, fast, efficacious and comfortable.

Sexual Wellness

THERMIVA Reclaim, Restore, Revive!ThermiVa vaginal rejuvenation treatments can help you reclaim your sexual health, revive your well-being and restore your relationships. ThermiVa uses the science of heat to treat urinary incontinence, vaginal relaxation syndrome, vaginal dryness and can help to increase orgasms. These treatments require no downtime, no surgery and no anesthesia. Comfortable in office treatments with long-lasting results.
