## WINE COCKTAILS

\$

- 1. Peach Fizz** | The Fizz has a new look for the summer: a little peach schnapps, a lot of Prosecco, and a cherry. Now you know. 9
- 2. O Tea R** | As if a Long Island needed any more ingredients... We added a little burgundy to the party. 9
- 3. Red Top Margarita** | We add a deep red layer of malbec on top of a traditional margarita. Ya know, just to mix things up. 9
- 4. Sangria** | It's not just for Sundays anymore. 9
- 5. Recoleta** | The Argentinian version of a Manhattan. We make this not-so-classic cocktail with malbec and brandy. 11
